

TRACKS

Our reliable range of tracks make your drape glide smoothly across your space or stage. Custom solutions are available to create the perfect cost-effective setup for your event.

QUICK-TRACK

Quick-Track is a patent pending method to allow for up to 10' wide walk along openings. The Quick-Track replaces a standard adjustable horizontal pipe.

It's another one of Drape Kings unique

solutions that allows for quick easy set-up for door openings, to revealing products in a cost-effective manner.

Ask your Pipe and Drape Expert about how Quick-Track can work for your next project.

UNITRACK

When the best heavy duty is what you need, UniTrack is the industry standard. Ball-raced runners and nylon pulley sheaves make for a smooth, silent "jam free" operation. UniTracks versatility and simplicity mean that we can

provide most solutions with standard parts or custom design to suit your requirements. Like our other track we offer:

- » Trigger clamp installation for truss and pipe battens
- » Wall mount bracket
- » Strut to Truss bars for multiple track across truss
- » Direct Ceiling Mount available
- » Custom solutions available, case by case basis

Rented by the foot, minimums may apply.

EUROTRACK

EuroTrack is a compact extruded aluminum medium duty traveler track. Its low profile offers low valance requirements as the track can mount to a truss or pipe where every inch counts.

Drape Kings typically uses EuroTrack for installations 16' high or less, either walk along or fully roped with a complete set of component parts that enables it to be used in most applications.

EuroTrack's ball-raced nylon wheels offer very quiet operation making it a great choice all but the largest installations.

Along with EuroTracks low profile we offer a number of standard and custom mounting solutions:

- » Trigger clamp installation for truss and pipe battens
- » Wall mount bracket
- » Strut to Truss bars for multiple track across truss
- » Direct Ceiling Mount available
- » Custom solutions available, case by case basis

Rented by the foot, minimums may apply.
